Dear Friend,

We are writing to tell you about this week. This week is walk to school week. Since Monday we have been walking to school. Most of the school have been walking. Yesterday there were 13 people walking and 4 people taking the car. Today we have improved 17 people walking and 1 person taking the car today. If we win we get a golden trainer for our class. So far our class is wining.

Hi I am Manon I always walk to school with my little sister Cari. So we are used to walking to school. Sometimes my mother or father walk to school with me and Cari. But sometimes when it rains heavily we go in the car but if it is just a little drizzle we walk. And we walk home to.

Hi I am Lauren I don't always walk to school but this week I am going to walk to school. Some mornings I walk with my friends and my brother Kieran. When we go home I go in the car. Now I really enjoy walking.
