Dear Friend,

How are you? I am fine thank you. I have just returned to school after spending a week in Llangrannog with the rest of my class. I thought that I would write to you therefore to tell you about some of the things I did in Llangrannog.

When we first arrived we all formed a group then we went to see our rooms. In our room was all year 5 and 2 girls from year six. After we went to see our rooms every school went to a big hall. We were told the rules then we had food. We went straight to the rope course we went in groups. We had to go across this rope in fours. After we finished going around the course once we had to go around it again with a cup of water. We had most of the water left. Then we went on the quads me and Courtney went with each other. I over took her.

The next day the bell rang for breakfast we all went down for it. After we had breakfast we all lined up and our group went for a walk up a mountain it was very big. You could see the sea over the edge of the mountain. We walked all the way back down it felt like we were about to fall down. After that we went for a treasure hunt. And we did allot more but I can't remember

On the last day we went on the bus and arrived back at the school at home time

Write back

Soon

Jade
